## PERFORMANCE & PROTECTION

### BARRIER PERFORMANCE

An efficient barrier to wind-driven rain with resistance to bulk water penetration reducing dampness and mold. Controlled air movement within the wall cavity and insulation between studs maintains R value.

### PEACE OF MIND

AIR-GARD® products deliver quality material and workmanship that allow for ease of use during the installation process. Contact your AIR-GARD Sales Representative for more information.

### CUSTOM PRINTING & PRIVATE LABEL

Multi-color printing of custom artwork in standard colors and quick turnaround.

### STRENGTH

Inherent strength in every direction reduces the risk of tears during application or from high winds.
